Introduction

Funded by the Department for Education, the Holiday Activities and Food (HAF) programme provides free holiday club spaces for children in receipt of benefits-related free school meals during the Easter, Summer and Christmas school holidays.

With the increased costs of food and childcare, school holidays can be a challenging time for some families. The aim of the programme is to ensure children have access to a safe space in the holidays, where they can participate in exciting activities as well as have access to a nutritious free meal.

Open to eligible children and young people living or going to school in Croydon, our holiday programmes will offer:

- **free, nutritious and tasty food every day**
- **fun daily physical activity sessions**
- **a wide range of exciting activities to suit different ages, personalities and abilities**
- **opportunities to learn more about healthy eating and nutrition**
- **opportunities for children and young people to socialise with their peers and make new friends**

HAF Christmas Programme

The HAF Programme returns during the Christmas 2024/25 holidays, where children and young people will be given an opportunity to attend free holiday clubs in their local area. At each club, children will be provided with a nutritious meal every day and get the opportunity to take part in exciting activities and games.

This Christmas, we are proud to have a variety of clubs delivering a range of activities, from football camps, coding workshops, music-making camps, multi-sport clubs, plus many more. There are also opportunities for children to learn more about healthy eating and take part in cooking and preparing food.

All holiday clubs will cater for children with low-medium levels of SEN and/or disability, with a specialist SEN provision specifically catering for children with medium/high levels of special educational needs by offering dedicated 1 to 1 support. We would encourage you to contact the club directly on how best they can support your child.

HOW TO BOOK?

Children in receipt of benefits-related free school meals at their Croydon school are entitled to up to 4 spaces at clubs this Christmas. Each child will receive a unique voucher code to book their spaces. Voucher codes are allocated by schools and sent by HolidayActivities.

Whilst this document gives an overview of the clubs running this Christmas, more information about the club and the activities they will be offering can be found on the HolidayActivities booking website.

Follow the steps below to book a space

1. Look out for an email from HolidayActivities (hello@holidayactivities.com) stating 'You have been issued a voucher'
2. Register/Login to claim your unique voucher code
3. Book up to 4 days/sessions at a holiday club

Our primary school young people will be supported in a safe environment to have fun, not just in bouncy castles or funfairs, but every day whilst learning emotional intelligence and life skills and teaching your child to be proud of their achievements internally. Through our secondary school, young people are our young adults, given responsibilities to elevate their soft and leadership skills to build resilience and confidence, supported to overcome challenges in a safe way, whilst considering other's feelings and emotions, without ignoring their own. We will teach your child/ren important values like kindness, self-love, and soft skills and support them with things that schools are not teaching, like how young people can start their businesses and investments, whilst still allowing them to grow up to continue to be uniquely great. This Christmas, You, your child, their wellbeing & Food Matter Project is where children and young people will access our Food offer, with hot meals throughout the programme, and recipes and ingredients to take home at the end of each day.

Summary of activities:

Does your child want to travel the world, learning about different foods, cultures and languages along the way?! Globe Fit offers the unique opportunity for children to travel the globe, without even leaving their local area... Each day of our holiday clubs, we 'travel' to a new country, offering the chance for children to immerse themselves in that country's culture through a range of different activities. These activities include music, dance, food/cookery, arts and crafts, languages, quizzes and loads more! Furthermore, Globe Fit offers a variety of different sports/exercises each day including football, tennis and yoga. There really is something for everyone at our clubs. Due to the difficult dates with the Christmas Holiday period for 2024, Globe Fit will be offering a take-home hamper in lieu of the two extra dates of the HAF club and will include such things as food, recipe cards (that make up a meal for a family of 4), activity packs and online resources.

SUPPORT

Children in London primary schools now receive free school meals for the 2024/25 academic year, also known as universal free school meals.

In order to be eligible for the HAF Programme, you must be in receipt of benefits-related free school meals. If you believe you are eligible for benefits-related free school meals, contact your school who can support you in applying for this to ensure your child can attend the HAF Programme.

If your child is in receipt of benefits-related free school meals but you haven't received a voucher code, please contact your child's Croydon school. Double check your child's details with the school, such as whether they are on the benefits-related free school meal list and/or whether your email address on the school system is correct. Schools will be able to support in allocating a voucher to your child.
